“ *First and foremost I want to say I am so terribly sorry for your loss. Hazel was an on hands mom and did everything should could for her children. She was also a hard worker. She was a loving and kind grandmother. Hazel was a very likeable person and always wanted to help others. What a great loss, Hazel will be in my heart forever. My condolences, thoughts and prayers to Hazel Johns and her family, Harry Osborne and his family, Joey Osborne and Chris Osborne and his family and to Gene and the rest of her family. I will never forget the endless private talks we had at the diner , on your nightshift job and on the phone, you actually got me through those talks and were a true friend to me. You will be greatly missed. God Bless, Marlene Ball*
