Her family will receive guests immediately following the service. “ *Joe and Linda - My prayers are with you and your family during this challenging time. I only ever met Heather when she was very young, so I did not have the opportunity to get to know her. I do recall one time however, when I was visiting you, that I took Heather to McDonalds for a hamburger and fries. That was a lot of fun for both of us. Again my prayers are with you.*

“ I met Heather at Catholic War Vets in Columbia. We just started a conversation, and she was kind and when she found that I was a nurse, she was glad and told me how she too was a compassionate person who loved helping others. It was evident as I saw her in the later months. She was nonjudgemental toward all. I am so sad that she has passed at such an early age. May she rest in peace. I pray for peace and comfort for her family
