“ We wish to express our sincere and heartfelt condolence to your family at your loss of Helen! She was such a sweet person and neighbor...We've lived in the same apartment building about 12 years, first in upstairs apt. above hers, then next door in downstairs. We enjoyed our occasional brief chats and waving at each other when coming and going! She will be missed! We will keep your family in our thoughts and prayers!

“ Dear Gary, Pat, and Butch and families, You each have Uncle Clay and My deepest sympathy. One of the first things that came to my mind in remembering mother and your family were the wonderful picnics we shared when we were so-o much younger! Pinchot and Caledonia State Parks were two of our go to parks. Also, when your mother was about 14,15 and the family would go away she always wanted to stay home! Our Mother would ask her what she would do if some stranger would come and she would always say, "I have my hair brush"! That was our dear Helen!! Stay strong and know that others are here for you!!!Love and Prayers, Aunt Hilma, Uncle Clay, Matt and Deb, Mark and Marcie and Denise and John and Families
