

Jack E. Garner Jr.

January 31, 1956 - January 30, 2023

Jack E. Garner, Jr. loving husband, father, grandfather and friend to many passed away unexpectedly on January 30, 2023. Born in Lancaster, he was the son of the late Jack Sr. and Shirley (Sites) Garner. He and his loving wife Joi were on a bucket list vacation in Alaska to witness the Northern Lights when he passed.

Jack was an avid hunter, lover of the outdoors, business owner, pillar of his community, and the rock of our family.

He was a 1974 Graduate of Donegal High School and Mount Joy Vo-tech Welding Program. In his early years he participated in soccer, gymnastics, boxing, and cycling with friends.

Jack successfully ran his welding company, Quality Metal Works Inc., for 32 years which reached into many business's both local and elsewhere. Jack had a mind of an innovator, a heart that exuded generosity, and was a true Jack of all trades.

Jack's biggest passion in life was hunting and the outdoors. A lot of his time was spent with friends hunting in PA and across the country.

When he wasn't hunting, you could find Jack in all corners of the community whether it was rotary meetings, breakfast or lunches with friends or what he called "business meetings", grandchildren's soccer games, football games, and wrestling matches.

A Free and Accepted Mason, he was a member of the Ashara-Casiphia Lodge 551 in Mount Joy. Jack was also a member of St. Marks United

Methodist Church in Mount Joy, Mount Joy Rotary Club, NRA, The National Wild Turkey Federation and Marietta Bear Club.

Our family is overwhelmed by the outpour of love and support from all. We are devastated by his passing and we will honor his legacy forever.

Surviving in addition to his wife Joi are three daughters, Jamie Boyer, wife of Derek of Elizabethtown, Jenna Ross, wife of Ryan of Ruther Glen, VA, and Joell Fooshee, wife of Henry of Washington Boro; five grandchildren, Colton, Easton, Regan, Rowen, and Riley; two brothers, Jeff Garner, husband of Debra of Manheim and Jerry Garner, husband of Trisha of Elizabethtown; and a sister.

“ Our condolences to Jack and his family. Jack was the kind of guy who if he saw you would always take the time to talk to you. Most of the time we would talk hunting. Jack will be missed by all. Sending prayers for his family

“ Jack was a great friend and fellow business owner. I met him in 1990 and we kept a good friendship for all these years. After many invites I finally was able to join Jack on a Idaho bear hunt last spring. What a great trip and we were able to hook a huge Sturgeon. Jack had the largest heart and was always willing to help people. I will miss the business conversations we had and the fellow hunter relationship. He will certainly be missed by a lot of people. Praying god's peace and comfort for Joi and the family over this time of loss.

“ I have more memories of you than can fit in this space. I think this is in my top five memories of a "Jack" invention. It's a Barbie Jeep that Jack wanted to make remotely controlled. We took the remote controls out of a smaller car and installed them in the jeep. The purpose was so Jack could run the jeep (with the deer target attached) across his yard and practice shooting at a moving target. Jack had an great inventive mind. I'm happy to have been involved in a number of his projects. My family and I will never forget you and your family.

“ Dearest Joi and family, We are in sorrow with you. What a great life you & Jack built, your time together ended too soon. Your children, grandchildren and future generations will be a legacy and testament to the love you shared. I will always remember his smile and reassuring presence.

Dear Joi and family: No love, no friendship can cross the path of our destiny without leaving some mark. The mark that Jack left was a mark of love, example, leadership, charity, brotherhood, commitment, devotion and compassion. He created a legacy for his children, grandchildren and some day great-grand children to follow. Our thoughts and prayers are with each one of you. Jack's spirit is a reward to his maker, Jesus. Jesus collected his reward and Jack is receiving his eternal heavenly promise. He got to experience passing through those northern lights first hand on his way to heaven. What a beautiful sight to behold! May our precious Lord comfort you with peace knowing that Jack is in His loving arms. 💕🙏

Jack and Joi are the quintessential high school sweethearts that grew in their love and commitment to each other. Their family is a reflection of this love.
Jack will be missed but will not be forgotten by all who were blessed to know him. ❤️

To Joi and family, we are so very sorry Jack was taken so suddenly and way too soon. He was a wonderful classmate and friend. He was proud to be a "girl dad", and shared that numerous times with us! Then those precious grandchildren came along and Boy after boy and then a sweet girl. My heart aches for you all that they won't have Jack in their lives but I know he will watch over all of them! Hang on to each and every memory, and embrace your friends and family to help with these hard times! Love Julie and Tracy
