

Jacob Elwood Geltmacher

April 10, 1990 - October 30, 2021

Jacob Elwood Geltmacher, 31, of Marietta, passed away on Saturday, October 30, 2021. Fondly known as “Jake” or “Jakey” to family, he was the beloved son of Barry L. Geltmacher Jr. and Doris E. Rice Geltmacher of Mount Joy and will be deeply missed by his twin brother Abram L. Geltmacher married to Heidi Lawrence Geltmacher of Maytown and his niece Dellen. He is also survived by his paternal grandmother Miriam, wife of the late Barry L. Geltmacher Sr.

Jake was a graduate of Donegal High School, class of 2008, where he was on the wrestling and football team all four years of high school. He is currently employed by Arconic Mill Products of Lancaster, where he was in the Team Support for the packing department. An avid bodybuilder, Jake competed in Power Lifting competitions throughout the East Coast. An avid hunter, he was an accomplished outdoorsman and enjoyed spending time with his father, brother, and Pap in the woods at their camp in Mifflin County. Most important to Jake was helping others. Jake was a young man with a big heart who would do anything for anyone at any time.

There will forever be a hole in our hearts without you, Jacob. But our memories and our time spent with you will help heal our brokenness. With our faith in the Lord, we believe Jake and his Pap are sitting together next to a tree talking about their new forever lives. We love you with all of our hearts!

A Memorial Service honoring Jakey's life will be held at Community Bible Church, 331 Anderson Ferry Road, Marietta, PA, on Saturday, November 6th, 2021. PLEASE NOTE the service will begin promptly at 1 pm. Jake's family will receive friends from 11 to 12:45 PM and immediately following the service. Memorial contributions to Rainbows End Youth Services, 105 Fairview Street, Mount Joy PA 17552, would be deeply appreciated. Jake was an outstanding guy that always had a smile on his face. That boy could eat as we would joke around with each other that he would do the eating and I would do the gaining. I was always really impressed about how he always reminded each of us that in life there needs to be adventure. From the stories he shared in the mountains with friends and family, to his love of lifting and pumping iron, his passion for those things was contagious. I thank you Jake for reminding me how important spending time with friends and family is in life. You will be greatly missed by all as you have touched many hearts in different ways. The Wettig family chooses to light this candle to remember you, pray for healing within your family, and say Thank you for accomplishing so much in such a short time. God Bless you and your family.

“ I am so sorry for your loss. I knew Jake and Abe when they worked summers at the then Alcoa, I was their shift supervisor and remember that I told them to never remove their hard hats, because I would never be able to tell them apart otherwise. I then had the pleasure of working with Jake for many years in the Pack/Ship department. I was impressed with the maturity he showed after years of not seeing him. Jake was a kind soul, quick to learn and always helping out others and sharing his knowledge with the "newbies". He will be sorely missed by all. My sincere sympathy and condolences to the entire family. May your faith give you strength to get through this difficult time and may your memories of Jake sustain you in the years to come.
