“ Condolences to the family and loved ones of "Jimmy Nein", as I knew him. We were former MYAA teammates from the peewee Cardinals up to the Midgets and I'll always remember playing Machinery Products in the New Era Tournament on Kunkle Field in Mount Joy in the late 70's, Jim caught ahold of one that not only cleared the left field fence but when it finally landed, it was three quarters of the way into the parking lot, if not closer to Rt.772...what a hit and memorable homerun! He was not only good at the plate but was also our great First Baseman! I'm so sorry for his loss at only 58! His obituary has rekindled a lot of good memories we've shared through Marietta baseball. My sympathy to you, his loved ones at this time...my thoughts are with you.
