“ *I met Jan in the early 80's at the Isshinryu dojo. He was always patient with new students, taught me many things and was a fine example of how to treat others regardless of rank. My condolences to the family. I was sad to miss the service but was away on vac. I'll remember Jan in my thoughts & future training.*

“ *Jan and Dixie were the best neighbors you could ever ask for-they were more like family. We are still sad that they moved to Mohrsville, but are glad they were able to spend their last years close to family.*
