“*Jane has always been a gift to all who knew her, bringing light and love with her wherever she went. The world has lost a lovely, loving person and God has gained a new servant.*

“*I regret that we are unable to attend "Sis's" funeral today. I've known her since I was a kid and we kids would congregate on her front walk and enjoy her kindness. She never turned us away. Since that time we became neighbors for over 40 years and she became an even closer friend. There will be a huge loss in our neighborhood without her! Love and prayers*
