“ So many great memories of a Jay and Kathy. I'm just so sorry I didn't know sooner. What happens at farm parties stays at farm parties. He was truly one of a kind and I'm deeply saddened by his passing.

“ Such a heartfelt blow when I heard this. He was such a great and loving individual. Knew Jay for many years. As a friend , camper. And wonderful riding buddy. Always ready to lend a hand when needed. So many fond memories in our biker travels to many destinations. Jay helped me through some hard times of my own in years past. I know he loved riding so much in years past. So here's to you my brother, ride on and protect us mortals till we meet again. When I hear the thunder I know it will be you twisting it once more. Be a faithful roadguard in that rally in the sky. Ride on and protect us from harm brother. KSU Buzzard. , It's been an honor to call you my brother. A fellow veteran. Till we meet again ,Peace.
