“ To Sandra, Justice, Emory, and Skip's entire family. Please accept our sincere condolences on his passing. While we were only neighbors and casual friends, we though a lot of him and he was always good to chat with and I always like when I could help in some small way. Michael was saddened by his passing, and we will surely miss him.

Sandy and Family, I was saddened to learn of Skip's passing. I thought of Skip and you many times over the years. Skip shared many years with J.C. and I. He was a good man and an important part of our work family. I still have many of Skip's woodworking items in my home. Sending prayers for comfort for all of you. Carole Hale
