“ Dear Tammy and Doug, My sincere sympathies are extended to you and to the rest of Jean's family on her passing. I will greatly miss her monthly phone calls to ask if I was going to the monthly Christian Women's luncheon. We created many good memories together especially all the times we travelled together with our late husbands, the many nights we played card games and the meals we shared together. She was always very hospitable and made me feel like part of the family. May God put His loving arms around you and give you His peace at this difficult time in your lives.

“ Dear Doug and Tammy, I know i have met you. Your Mom and I worked together for Dr Mastropietro. Once when we had on the same color outfit he called us the Bobsey Twins. We had many good times together, including spending a weekend at the cabin. We swapped many grandkids stories since our grandchildren were close in age. Once we went shopping on our lunch hour and were gone a bit more than an hour. That caused a stir!! Sometime in January of this year, Jean called me and we made plans to meet again for lunch in the spring. Then the Pandemic hit and that was that. She was wonderful lady, I really enjoyed our friendship. I am sorry to learn of her passing and extend my sincere sympathies. I am sorry to miss the service, but I am being very careful because of the pandemic. Marty Brown
