“ Keeping all left behind in prayer for comfort while working through this difficult time. Jean certainly had many accomplishments throughout her life and a caring thoughtfulness for others.

“ Elizabeth, Ed and Valarie, I was so sadden to hear of the death of your Mother. Jean was always a happy go lucky kinda person who was always smiling whenever I saw her. I remember the fun times we had growing up in the summers when Sharon and I would stay with her and Grandma for a few weeks. We sure had fun going to the old Lincoln Restaurant to eat and Den's Steak Shop. Then, of course we always went to the Salunga dances. I was not quite old enough, but Jean always put makeup on me and fixed my hair to make me look 16 so we could go. They were some of the best times I will always remember with her. I know she truly loved you kids and her grandkids were more than likely the light of her life. I hadn't talk to Jean in over a year, the last time I saw her was when I saw her at Weis when she came to pick up Valarie at work. Funny how we all drift apart when we get older and have our own families and daily routines. But, I do know one thing, Jean is not suffering anymore or in any pain, she is in Heaven where all that pain is gone. We really lost a lot of closeness over the last few years Jean, but you were and always will be my favorite Aunt... I love you...Fly high girl...!
