“ Susan and family I'm so sorry for the loss of mom. I'm Jeff Zerphey who lived on top of the hill on high street. I would see your dad every day bring the mail. You moms picture looks great she looks like she did in the 50-60s as you and I grew up together and school. Go donegal 69-70. I wished I could have been there to see you and also pass on a hello from my cousin Henry. He told me-we have gray hair but all I remember is your beautiful long dark hair. I hope to see you in the future and learn more about you and classmates. Henry does face book stuff and tells me how things are. I'm sad how many classmates we have lost so far. Mom 91 so great to have her that long. I lost both of mine at 84-85. I miss Mount Joy a lot and wonderful kid days and friends. I wish all of the family well. My symphony Jeff Zerphey
