“ Sorry for you loss. I remember when you lived across the street from us as we were growing up. Then when she and Uncle Bob were together. I will always remember her smile and she was always cheerful. May all the good memories get you through this and give you peace.

“ Dear Aunt Jean,

You were such a wonderful Aunt, and also a Friend to me. You always had a warm smile, and even though we did not get to see each other often enough each visit, or each phone call were enough to mark those days as ones to remember.

You will be in the hearts and thoughts of so many who loved you until we meet again. This years reunion that you were able to attend was outstanding just because you were there along with your brother Frank, and many other family members. This reunion also will be remembered and talked about for many years.

Rest in Peace.

Aunt Jean, I'll miss your phone calls to me always saying I love you before hanging up. You had been so excited to go to the family reunions. I'm so glad you were able to make it this year. I'll never forget when mom died you told me I'll be your mom. I'll miss you. Give my mom and all her brothers and sisters a big hug from me. RIP Aunt Jean.

“ I’m so sorry for your loss. I remember Jean and what a wonderful lady she was and such a good mother to the girls. I lived beside you guys on Market Street with my husband and two very small kiddos Tommy and Jenny. I use to love sitting out on the front porch talking to Jean and little Michelle was always outside with us and would often come over to our house to say hi. My sincere condolences to all you girls.

“ We love Jean! She was our Nanny for our daughter Maria for four years. As new parents, we were so anxious about leaving our daughter with someone who was a total stranger. In a short time, Nanny Jean became a close member of our family. She and Bob took wonderful care of our little girl and treated her like their granddaughter. They were always on the go! We often would joke that Maria went to places in Lancaster County that we had never been to ourselves. We would get home from work on a Friday, and often would get a call that they were running a little late bringing her home- usually at Mack's for ice cream. We were so sad that she could not continue as our Nanny when our second daughter was born, due to health problems she was having. She and Bob kept in touch over the years. Maria got to see her in 2019 before the restrictions for COVID started. We were so blessed to have her in our lives and will miss her very much.

A Butterfly puts a smile on our face. Is so peaceful. Yet, its life is way too short. Jean always had a beautiful smile. Spoke softly and kind to us. And yes, her life here on earth was way to short. Our Love and Prayers are with Her Family
