“ So sorry to hear of Jeff's passing. Sympathy to the family and prayers for healing. His faith was in the Lord so we know that he just got to heaven a little sooner than the rest of us to see his saviour.

“ My Best Friend and Best Man,
I have such a huge empty space in my heart that I know no one can fill but God. I look forward to seeing you in heaven.

Staci, Kim and I are praying for you and the children that Jeff loved so much. We pray that as the days go by, the pain will ease and the love that we all have for Jeff will shine through the memories we cherish and the smiles on our faces.

I love you and miss you brother.

“ it is moments like these that force you to reflect on your mortality and your time on this earth so far. even though we were distant for the past 20 years or so, i still love my little brother & have fond memories of us growing up together. yes, he did get picked on sometimes by his older brothers, BUT there was never any doubts we loved each other. Jeff is now at his eternal and forever Home , in the presence of JEHOVAH and His Son the Messiah. he's probably ran into dad already, and maybe even seen my soulmate Kathy. I LOVE YOU LITTLE BROTHER & WE WILL BE REUNITED SOMEDAY. my thoughts and prayers to my brothers and my sister, my prayers & loving thoughts to you Anistashia, and the kids.
