“ Sorry to see Jim's passing. Jim was a good customer, but one that I thought of as a friend and a buddy. He was always smiling and laughing. He made my day. Rest in peace my friend. Paul Hess (Lancaster County RV)

“ Jim was a close friend on my family and I for about 50 years. Jim introduced me to Parker Dam State Park for hunting when I was 15 years old and my family has been going there every year since. All my time with Jim was great and he will be missed. I would call him about every 3-5 days just to check in with him because I knew he was struggling. I know we all will die someday but it does not make the experience any easier for those left behind. Love you Jim
