“ I want to say how sad I am for the family of Aunt Joan. She was funny and she loved her family very much. My thoughts and prayers are with her and her family at this very difficult time!

“ If I remember right she used to dance like crazy. I think she's the one that taught me the twist. I sure loved her and I will so sorely miss her

*My sweet sister Joan was a force to be reckoned with. She endured more than most women I have known in my lifetime but I never heard her complain to me that she could not handle the severe challenges of life. And the most awesome trait is that she did most of it with humor, but always with kindness and lots of love. I will miss her every day for the rest of my life. I thank God for moving her to live with Him.*

*I'm sure she is up there happy to be with Keith, Denise, and the rest of our family. One memory I have is when I was younger visiting her family when I Middletown. She had gone somewhere and we were playing hide and seek. There was a crawl space at the top of the steps and we weren't to be in there. A couple of us hid there, and somehow I fell in a hole. I cut my knee (not bad enough to go to the hospital, but close) and of course we "lied" about how it happened. I'm sure she knew better. I don't remember her getting upset very often, but when she did she would have her say and move on.*

*Aunt Joanie was so strong in spirit (even our Dad thought that about her). She had a great smile, dry sense of humor and enjoyed making you laugh. I remember how much she and Uncle Joe loved watching NASCAR races. She was a spark of life and spirit that we got to love. Lucky us...*
