“ I am so sorry for your loss! Jodi and I were friends in middle school and unfortunately lost contact over the many years that have passed. I will always have wonderful memories of her and the fun we had together as children. She was a beautiful person with a beautiful soul! Sending good thoughts and prayers to all of you! <3

“ *My precious babygirl...Oh how I miss you so very much. You are now no longer suffering or in pain. You are with your loving brother whom you missed so very much since he passed away. I will never understand why this had to happen only God knows why and I am not to question God. I just know that I will forever love you and you will always be by my side and on my mind. Fly high my precious Angel with Vance and Dad...I will always be here for your babies until I see you all again.Forever,MommaDukes*
