“ *Mr. Harnish was my elementary school gym teacher (back in the good ol' 90's) and always cultivated an atmosphere of fun and creativity. I was doing some work-related research and came across his obituary. I let out an audible "awe" and recalled some of my fondest childhood memories in the East Pete elementary school gym. Sending my very belated condolences to his family and I hope these words and knowing that he had an impact on so many young people help to bring you all peace and comfort in his absence.*

“ Mr. Garnish was a great teacher, coach, manager, and caring man. I went on to mirror my life and the way he lived, caring for others first, be helpful and kind. I graduated from Millersville with Education degree, taught for 30 years, coached HS soccer, started the first girls HS soccer team in Huntingdon, PA, and worked in helping those with mental health issues in Harrisburg, Lebanon, and central PA. Thank you, you were a beacon of light, carry on, we love you.

“ *The Wests send their condolences to the family. We are new residents here in Mt Joy. When we arrived in 2020 John was one of the first to welcome us with open arms. He would walk by the house and wave all the time. He is walking around Heaven now. He will be missed.*

Denise and I were so sad to hear of John's passing. In his early days he was a gymnastics judge and officiated at my high school meets. We served together on church council and accomplished much in those four years. John was a kind and considerate man. May God bring comfort to his family.
