“ Dear Joanne, I was so sorry to read of Jack's passing. You both shared a wonderful life and marriage. I was very lucky to have received one of Jack's special bears as a gift from you and the staff at Hempfield. It has always held a very special meaning and will always be cherished. Jack had an infectious smile, a caring manner, and loved you dearly. My prayers are with you during this time of loss.

“ Dear Joanne, I was saddened to read of Jack's passing. I had met you several times and I am writing to say "Thanks" for the deep and long relationship you had with Grace (my sister) and Jerry Davis and their family. Your support for them was greatly appreciated!

“ It was a pleasure to care for Jack as his family physician for many decades. He lived with chronic pain but always had a cheerful disposition, and he found ways to enjoy life despite the limitations his body imposed on him. I will never forget how he talked about the kids he served at That Fish Place, and how he enjoyed making them smile. He will be missed by many!
