“ Dear Linda - I was so sorry to learn of Ed's passing and will be praying for you and your family during this difficult time. While I only knew Ed from high school days, my memory of him was a very fun-loving guy with a great smile and laugh. I remember him attending parties at our home (I'm sure you don't recognize my name - I am Diane Biever's younger sister). I hope you and your family can find comfort in knowing he is at peace.
