“*Joan....Dave and I were both shocked & saddened to learn of Tom's passing. As you may remember, we were good friends of his in high school and had the pleasure of connecting again a bit later in life when we also met you & Jess. We've lost touch over the years but Tom always held and WILL continue to hold a special place in our hearts....so many fond memories of good times in the past. Our very deepest sympathies to you and the family. Love, Dave and Pam*
