“ I hate that I just found about Joe’s passing. Years ago, I met him while working at Park City. I loved visiting him and hearing his stories and learning some photography tips. He taught me many things I still use today. He was such a blessing and I’m honored to have known him. He was very dear to me and I treasure my memories of him.

“ Dear Borelli Family,
I wish to extend my deepest sympathy to your family for your loss. I met Joe many years ago when he worked for Culter Camera at the Park City Mall. I was an avid photographer and was looking to upgrade to a new camera and Joe was very helpful. He treated me with respect and never talked down to me when it came to photography. He was honest and gave his expertise on what would be best for my needs in a new camera. I was sorry when he retired from there as no one else who worked for that store ever treated me as kindly as he did and with respect that I knew something of photography.
I had called him just a few years ago to again ask his expertise in buying another new camera and again he was very helpful and honest. He was a true Gentlemen and I will miss him and his kindness he showed to me. My God Bless your family at this time of loss.

Sincerely, Beth Jury

“ Dear Borelli Family,
I am so sorry for your loss. I worked with Joe when he was at MC high school food service. What a character. He was one of a kind. Joe always has a smile on his face & in his heart, a joke to tell and a hug. Even when he wasn't working there anymore he'd still stop by from time to time to say hi. He was quite the story teller. Always a funny story. Although you weren't really sure if it was true or not, and he wasn't telling. Joe loved his family and Kathy very very much!
My thoughts are with you all .
Sincerely,
