I lost Mim 2 years ago and our dog a year ago , so I know first hand what grief and hardships you are facing.Joe was one of my most favorite co-workers. We spent many hours together traveling around the world buying equipment for RCA.He always made difficult times being away much more bearable.If you remain in the area and the time becomes right I would love to meet you for lunch and to talk.My phone number is 717 464-1974. “ Geri, we were shocked to get the very sad news. My heart goes out to you. If you only new the great memories I had with Joe. As you know, our careers closely paralleled for over 30 yrs. I have a great pic of Joe and I sitting at a sidewalk cafe in Paris drinking a 24 Oz. draft beer that is prominently displayed in my scrap book. Our lunch gathering in Sarasota just a couple years ago. Just 5-6 weeks ago he chatted with me on Facebook about selling our house, etc. I am heartbroken. I sadly say goodbye and be strong.
