“ I am sending my condolences to your family. I remember you and Josh as I had worked with you for Physical Therapy at Schreiber. I remember all of the fun that he had during therapy as well as all of the hard work he put into playing. You are amazing parents to an amazing and sweet child. I will keep your family in my prayers.

“ I am so sorry to hear about your family's loss. I remember Josh's hard work in speech therapy at Schreiber and how he would laugh at the Disney movie clips we would sometimes watch! Thinking of you all and keeping you in my prayers.

“ I only knew Josh from when I was a summer para educator at Reidenbaugh elementary, he was in the class with Katie. I remember him as a sweet boy. I knew Katie much better when I worked with her at Penn Manor High School. She used to call me "Pederson"! I hope she's okay, and bless you all.

“ I worked with Josh at the elementary school level. Hé was one of the sweetest, kindest children I ever had the privilege to work with. Hé always called me Byers, which I found endearing. May hé rest in peace. My condolences to his dear family.

“ We are so sorry to hear of your loss. I remember meeting Josh when he was a baby at Schreiber Pediatric Reha Center when he and our son were there for therapy and we were in a parent/child group called L.A.M.B. (for Look At Me Bloom). He was a sweet baby at the time and I enjoyed chatting with Kim while the boys were with the therapists and John and Chuck both worked at RR Donnelley so they knew each other also. I can't imagine the grief you feel at losing him so young. Deepest sympathy and prayers for your family. (Chuck said John can call him if he'd like to talk.)

“ I will never forget Joshua. I had him and his sister in IU13 AS class. He always refer me as Benson when everyone else called me Amy. He was also happy unless he wanted to swim. And of course we didnt have a pool. I will never forget the joy he brought to me. He was a loving soul. May he be at peace. I pray his family is at peace as well. Amy Benson

“ I was lucky enough to be Joshua's teacher from K-3rd grade. I have lots of great memories of him, but what sticks out the most is how joyful and full of laughter he was! He was always up for something silly or fun to do. I am thankful for having met him and your family and felt blessed to have worked with all of you during my time at IU13. My heart goes out to all of you!

“Sweet gentle Josh”. That is how I remember this gentle soul. I was his personal care assistant at both Warwick High School and Conestoga Valley High School. He was a gentle and quiet kind of guy, but boy, on some days he could be a real stinker, I remember one time the class was learning about different types of weather, and we were talking about hurricanes. Out of the blue he looked at me and pointed to me with a big happy Josh smile and said "you are a hurricane"! And then he cracked up laughing and so did I! I have been thinking of Josh a lot lately, and I am so grateful that I got to see him one more time, after he was no longer in school. He gave me his famous "thumbs up👍" during that visit. Rest In Peace sweet one. I bet you are having the time of your life now!
