“ My best memory of Grandma that I will always cherish , was Christmas 🎄 2019. Prior to COVID this was a trying year for me and when the holidays came around it even got harder. Now her name is what filled my heart and day , Joy took over when I went over to Grandma's , she gave me a gift and then we spent Christmas in church and we watched the Grinch. And as the day came to an end I was so grateful she spent some time with me and made it one of the best Christmas of my life so I thank her for that. Grandma was one of a kind and I'm glad to have had her a part of my life as well as my children. I love you Grandma and you made sure I knew you loved me as well. Such a big heart glad she shared it. Love you Carlton..

“ Dear Ed, Patty, Sharry, Penny & families,  
I was so sorry to hear of your Mom Joy's passing! But I was glad to see she was still living in her "new" home. Your Mom was such a beautiful, colorful, fun, kind lady who was so true to herself. She was an inspiration to me growing up! My Mom Irene and my sisters Patty, Donna and I always loved her. I believe she was at either my Dads 2007 or Moms 2010 memorial service. I know we saw her at the sale of your farm oh so many years ago. My deepest condolences to you girls and your families. How wonderful that she had so many grandchildren and great grandchildren and got to be in the home she wanted so much until the end. It's difficult losing your Mom. My thoughts are with you❤️ Cynthia Charles Eder
