“ I am very sorry to hear of the passing of your mother and grandmother. After Swope's moved I was happy to have neighbors with a daughter around my age. Jolane and I were friends, and so as a child and young person I spent time "on the porch" and in the backyard. Joyce was gentle, kind and always cheerful. We will miss her.

“ I am so sorry to learn of your Mother/Grandmother's passing. She was a kind and gentle person. Although we weren't exactly "over the fence" neighbors, I knew if I needed anything she would be there. She was like my own Mom, always part of the family and not on the outside edges. Her grandchildren were fortunate to have her in the lives on a daily basis. May your memories keep her close. In sympathy, Gail Hawthorne

“ Nanny had a special gift--gift from heaven--her gift was to shower everyone her life touched with love and friendship. Nanny loved life and always had a smile on her face! ... But most of all, Nanny loved her family-especially her grandchildren. if you were to ask her grandchildren what their Nanny was like, I think they would say, " she was like an angel that came and made their lives beautiful". Nanny will be missed greatly--may all the special memories you shared with Nanny sustain you through the days to come. Blessings & love, Ken & Rita Brian

“ *What a special lady she was. She held her grandchildren so near to her heart. I enjoyed getting to know her over the last 30 years or so. One special memory is sitting in her son Todd's barn husking corn every summer. We will all miss her and are praying for the family.*
