“ My best friend, I remember when we would walk through town just to buy sparkling grape juice 🍷 and hang out by the MJ pool talking until ridiculous times of the night ❤️ We were just reconnecting again, I wish we would've had more time. ❤️

“ When Grandpa Tony and I think of you, Tina, we think of joy: Joy at seeing you poised and confident in conversation; Joy at hearing you calling out, "Grandma!" in your happy voice when you searched for me; Joy feeling your hugs and seeing your smile; Joy at listening to your giggle when you laughed; Joy when Grandpa Tony and you sang "On Top of Spaghetti; and Joy in your giving and thoughtfulness. Tina, we loved you so! You brought us so much Joy, so many smiles! How empty we are now without you.
