“ I worked with Karen first at Dominion Bank and then Wachovia. She was a gentle, kind and gracious lady. This job was the first I had after my children were grown, and banking was completely new to me. Karen was a generous teacher and friend. I thought of her often after her move to PA and visit several time. She will remain in a special corner of my heart. Gretchen Elson

Karen was such an intelligent and beautiful woman spiritually. She was kind and caring and will be sorely missed in my life, as well as by family and friends. It's such a shame that her body couldn't keep up with her mind. Love you my friend. Sue Bruggeman
