“ Grandpa, There are not enough words to describe the amazing man you were. I tried to speak yesterday but the words just wouldn't come. I love you more than you know. You've taught me so many life lessons...the hard ones and the easy ones. You were strong, smart, and determined. Nothing in life could slow you down. When you saw a challenge, you went after it head-on and never backed down. Right up until the end you were fighting with all you had left. We will all take care of Nanny. She misses you so, so much. Thank you for being my Grandpa, my friend, my hero. Until we meet again, I miss you and I love you. Soar with those Angels Grandpa (Pepa)
