I am so blessed to be able to see you a little over a month ago. We had so much fun and pretty much rode every ride. Thank you for such precious memories. “ Kieran, I am really going to miss you buddy! I am going to miss your stories about your amazing online shopping deals, your mischievous grin and giving me "crap", although I am sure D and Máire will step up their game just for you. Most of all I will miss your sweet and gentle heart and your kindness in this world. You are one of a kind, for sure. Max and I are so very blessed to know you for 19 years and you are so very blessed to have been raised by some of the best parents on this earth! Max and I love you and will miss you immensely! Wishing your soul peace.
