“ I have waited to write this memory of my beautiful "adopted" Granddaughter, Kira Lynn. This young lady was such a great part of our family for oh so many wonderful, loving years. She has been with us through the good times, the bad times, the heartache and the happiness... Kira, you had seen suffering in our family, you had seen so much love in our family and no matter what the situation, you, my sweet girl were always there to offer whatever help you could give to me or any member of my family. We all loved you like you were just part of us. You were just one of the family and for that my dear girl, I will miss you and your beautiful smile, your laughter, your helpfulness and your love.

I know you are in Heaven with some of the best people of my life, my Grandparents, my Parents, my dear Denny or Pap to you, my Vance, who was like your Uncle and then there is Jodi who was like another Mother to you. You are up there with a lot of people who are loving, caring people who will be by your side and knew you as soon as you walked through the Pearly Gate of Heaven. Kira, you will always be loved and never forgotten by me or anyone left down here of my family. You were truly loved as a Person, a Mom, a Daughter, Sister, Best Friend, Granddaughter, Adopted Granddaughter and Co-worker/Friend to all who ever came in contact with you. You have left a big open wound in all our hearts. We are lost without you here, but we will see you again someday my sweet girl.

Fly hi young lady, Fly hi !!

“ I remember the time Kira went along to Wildwood with our family years ago. Those two ran all over the place, laughing, running, just having the best time together. We will miss her happy, laughing face!
