“ Last night I attended the Temple Law School Class of 1983 40th Anniversary reunion, and was shocked to learn that Kirk had passed away in 2020. We were roommates during our first year of law school, and part of our second year (when I got married to one of our classmates). Kirk was a great guy, and I was saddened to hear of his passing. My kindest long belated condolences to Kirk’s son and the rest of his family.

“ I am so sorry to just learn of Kirk's passing. Kirk and I met many years ago as opposing counsel. Although we were on opposite sides, he was the perfect gentleman, and though we started the case as opponents, we ended it as friends. Over the years, we cross paths multiple times, and being both in small firms, would reach out to pick each other's brains about some point of law. It was a pleasure to know him, whether originally as the person on the other side of the table, and later as a trusted colleague and friend.

“ Kirk...thanks for letting me stop over on Sunday for impromptu visits to deal with legal issues. I was your wood floor guy. I have a much better business because of you. I want everyone to know Kirk was the only customer -- I probably have 1700 -- that I made sure I brought a Christmas gift to every year. We always knew you were in our corner. We will miss you.

“ To the Wolgemuth family, I'm sorry for your loss. I never met Kirk, but he worked with my Mother. He always stopped and picked my Mom up and took her to work when it snowed. She reminds me often of how much she liked him and appreciated all the rides to work. He would always call her during the snowstorms and offer to pick her up. I always appreciated that and I thank him so much for that.

“ I wish to extend my deepest sympathy to Kirk's entire family. He was far too young. I once served as his dental hygienist. He was always such a gentleman and spoiled me with gallons of his homemade sauerkraut, along with his recipe and instructions for preparation. May God surround you with His comfort during this sad new journey.

“ So very shocked and saddened by Kirk's passing. I met Kirk in Jr. High. Caught chickens with him, hunted, rode our bikes, and had a lot of fun. I was blessed to get to know his family. Our lives went in different directions till our daughter Miranda started talking about a young man named Christian Wolgemuth. Long story short They got married, and we couldn't be happier than to have Christian be our son-in-law. Our thoughts and prayers go out to all the Wolgemuth family and especially to Christian. We had a lot of good times Kirk and I'll never forget them.

“ I remember getting to know your family when I was in school with Roxie and Kent. I also remember when I worked with your Mom at Hennigans, how proud she was of all her children. I'm sure she was waiting with open arms to embrace Kirk. My thoughts and prayers are with all of you during this difficult time

“ I just heard about Kirk's passing! The last time I saw him was at Donegal's Class Reunion. Kirk was in my 11th Grade English Class. He asked me one day after class why I had them sitting alphabetically. From that year on, I never seated students that way. So, each year as a school year began for almost 40 years; I would think of Kirk when I would say: "Good Morning! Please take a seat"! Kirk made me realize a student not by the seat but by the person. My thoughts and prayers are with Kirk's Family and many friends. Sincerely, Dr. Joseph B. Siberski , English Teacher at Donegal High (1974-1978)

“ In loving memory of Kirk Wolgemuth. Our thoughts and prayers are with you, and your family during this difficult time. I was saddened when I heard that Kirk passed away. I lost track of him when our family moved to North Carolina. I got to know Kirk when we worked for Melhorn's during high school. My brother Steve, and Kirk were very close friends and I had the honor of Kirk being an usher in my wedding. He will be greatly missed. Our deepest sympathies to Todd and the rest of the family.
