“ I met Kyle as a young child and grew close to him and his family as we navigated his difficult diagnosis of diabetes. Kyle and Jody convinced me to learn to manage insulin pumps so Kyle could live a more normal life with diabetes. I watched his successes as well as his difficulties through adolescence and into adulthood. Kyle always brought a smile to my face. He was kind and caring and it breaks my heart that he was so tortured. He was a smart, loving man who will leave behind family and friends who will have wonderful memories of him. Thinking of you all and hoping those memories bring you comfort in his loss.

“ As I was looking over old pics, I saw Kyle and our son, Adam having fun at the mountains with our life group from CBC. Kyle was a jolly little guy and very outgoing. He was diagnosed with Diabetes during the time we were together in that life group. Kyle handled it like a champ and remained lighthearted despite how hard it made his life. Please know that our hearts are aching with you, and we are praying that God pour out his magnificent love, mercy, comfort and grace on all of your family.

“*Kyle was the light of the party. I've had the pleasure of knowing Kyle for 8 years. His best friend is my husband, and they always enjoyed fishing together, and trying to fix boats. I always told Kyle and Murphy to get a better boat, they never listened to me. Kyle would always find a way to take care of Murphy and I when we needed it, and always had words of wisdom for me when I was feeling down and out. He was my biggest supporter, and he has always rooted for Murphy and I. I'll always remember and Cherish my memories with Kyle. All my love and condolences to the Gingrich family.*”
