“ We are so sorry to hear about Larry's passing. We were out of the country and did not see this until we were going through mail/papers today. We so appreciated the time we knew both Larry and Erline. They enjoyed doing puzzles (some of which we still have that Erline gave us) and talking about their time in Kansas, and even going to school with my wife's father. I even played golf with Larry once. Our thoughts and prayers are with all of you that loved them so much. Knowing Larry, and Erline, was a delight.
