“ I was Laurie's nurse when she found out that she was pregnant for Carson. She was so excited. Her faith was unwavering. Now my heart hurts 💔 for Jim and Carson. Wrap your arms around each other to stay strong.

“ Laurie was One of the Most Beautiful human beings I have EVER had the privilege of knowing! She was a Kind, Gentle, Sweet, Loving Woman who's Faith shined in her words and actions. Her Love of her family, church, community and the Cornerstone Ministry was always obvious and she will be GREATLY missed by All!! She not only spoke the word of God but she lived her life showing his Love in Everything she did for the youth in this community. I know she was Very Special to my family and no matter how many years passed or how old my children are or how long since they were Cornerstone Youth She ALWAYS asked about them and sincerely cared for their well being. My Heart goes out to Jim and Carson and I pray for their Faith to comfort them and bring them peace and know so many are praying for them. It's so hard to find the right words or even enough words to express our deepest sympathy for your loss.

“ Jim, Carson and Ed, Please accept our sympathy on the passing of Laurie. What a beautiful person she was and you can be assured that she is now resting in the arms of our Savior in Heaven. Laurie was always smiling and enjoyed working with the kids at Cornerstone. There will be an empty hole in the hearts of all who were lucky enough to know her. May your faith carry you through this tragic time and prayers for all of you and the Cornerstone Community. Gale and Jay Forry
