“ Hey Babe, I miss you soo much. My heart is broken, It hurts to breathe sometimes. Im so sad, So empty inside. My mother, my friend, I lived in awe of your kindness, selflessness, intelligence and all you endured everyday. You loved people, and loved socializing. I never knew one could hurt and cry as I do. I pray I honored your wishes, and I pray everyday since you went away you suffer no more and finally get some sleep. Your little heart, was so weak but filled with soo much love , thankyou for loving me selflessly, giving all you did everyday all my life. I will miss our shopping trips, visits, talks,silliness,snuggling and watching tv. I dont know how to do this, but I will for you. But everyday your gone I feel less and less, and only more pain from my broken heart. Rest baby girl, And Im here waiting till we met again. My Lassy -I Love You More- nomore I will hear.Love u Lassy, Love YOU more- Your daughter - Vic

“ *Dear Leidig family, I wanted to express my sincere sympathy for the loss of your wife and mother. I am one of the nurses who cared for her, and I happened to meet her lovely husband and daughter the night before her passing. Your love for her and joy, even in the midst of a difficult time, was truly special to see! I pray for comfort and rest for all of you! Love, Carolyn*
