“ To Linda's family - our family was so pleased when we saw Linda at Mt Hope Nazarene caring for our mother! She really did always have a delightful smile on her face! I remember seeing her in the hall, speaking with her about my Mother's declining health the last week of Mom's life. She could set an example for other caregivers as to her loving, caring and dedicated personality! Sincerely, Tina Texter, daughter of June Zaranka

“ I worked with Linda at mt hope. After working there agency I strongly encouraged her to apply. It took a few months because of legal issues between the agency and mt hope but I was glad she was on board finally. I will always cherish her smile your bright aditude. And her willingness to go beyond for her friends and family she was a true angel on earth.
