*Please accept my sincere condolences to Linda's family. We grew up going to church, elementary school, and then later neighbors when raising our kiddos. Her parents were a wonderful support to her during Giovanni's' babyhood and also growing up. I particularly enjoyed her interactions with her father, who doted on her. In the past couple of years I was able to connect with her and we reminisced about growing up and how we missed the old neighborhood and in particular her "Nan", Martha Sherk. Those were good days indeed. Family is everything and she certainly knew that. I enjoyed her FB posts with the time she spent with her granddaughter. The love was very evident . I daily miss the memories and the old neighborhood life that she was a part of, as well as her parents...good neighbors. Thank you for allowing me to share. Sincerely, Fawn Cornwell.*
