“ *Many special memories of Linda as we went to church together for years and lived neighbors. We also were in the same grade in school and rode on the same bus. Jim and family, you are richer because of Linda in your lives. She was special in many ways, even though I have not been in contact or seen her for years. May your memories carry you through the rough times. Also, may you find strength from your Heavenly Father who cares about each one of you.*

“ Linda was a bright light in this dreary world! It was impossible not to love her. Her great sense of humor and jokes she could pull on you made each day eventful and special. She became a wonderful sister to me when we both needed each other.

Words cannot describe the loss I feel in my heart. But, I know those dancing lessons I taught her she's using now in heaven!

To Jim, the children, and her siblings~ Thank You For Sharing her with me. My prayers and heart felt condolences are with you, for this immense loss!!

I'll love you forever, my Sissy Lou Lou ❤️🙏❤️

~ Love Always, Vickie
