“ Linda was a very nice person ... she worked for Roberta, Frank and my business preparing taxes for many years. She was very friendly, intelligent and a great employee of ours . She was very good with people and we always knew that she would treat our clients with respect and help them navigate tax returns and other issues. Linda was one of our managers and was well liked by all her employees at Jackson Hewitt Tax . I appreciated her and feel lucky to have known her . May she rest in peace and be with all her family that have gone before her .

“ Linda was just a beautiful soul. I met her at JH when my friend Roberta asked me to work for her, Linda was my tax school tutor. For a number of years after that she was my coworker at the Highpointe office and became my friend. I enjoyed having lunch dates with her, learning about her family, meeting her sister Sharon (I LOVED hearing the stories of their adventures together that they shared with me), many pets and snuggles from her dog (Linda was always very appreciative of Dave & Sharon helping her & her baby) and taking surprise treats (her favorite was Chick-fil-A's frozen lemonade & homemade chocolate PB eggs) to her house for our visits together. My condolences to all of her family. ❤️ Keeping you in my prayers 🙏
