“ I was sorry to hear of Lorraine's passing. We were good friends during our last year of high school and a few years after. We graduated together in '76. I got to know her parents also and they always made me feel welcome. Lorraine will always have a special place in my heart. God Bless you all.

“ So sorry for your loss. Lorraine and I were close the last 2 years of high school. We both attended Vo-Tech and our rooms were across the hall from each other. I was in Floriculture and she was in Cosmetology. When I saw she past away I did not want to accept it and sort of shrug it off . . . now I am very sorry I did. I now wished I could have met her family.
