“ We spent so many long days together having fun. But this came to me last week and I smiled so big! That night we partied in your newly finished downstairs, and sang at the top of our lungs “Give me something to believe in” ❤️

“*Lorrie and I go way back to when we first became friends in 7th grade. I have so many wonderful memories made with her from the time we packed up her car and moved to Port Orange Florida, to her being a bridesmaid in my wedding 40 yrs ago. We were always the first ones on the dance floor, especially when The Cars song, "Turn Me Loose" was played. To Dan and the girls, you have my deepest sympathy. Rest in peace my friend.
