

Louis Myers Sargen

June 5, 1954 - July 3, 2025

Louis Myers Sargen passed away peacefully at home on July 3, 2025, at the age of 71.

Born June 5, 1954, to Louis and Jean Sargen, Lou spent his childhood in Marietta, where he made lifelong friends and formed treasured memories. He often spoke fondly about growing up in his hometown.

Lou dedicated 41 years of hard work and loyalty to Tyco Electronics, where he was a respected co-worker and a mentor to many. His work ethic and good humor made him a friend to all who knew him there.

Outside of work, Lou's passion for sports was unmatched. He rarely missed a Phillies baseball game and was always ready to share a score or a stat. But above all, golf was his greatest love — many of his happiest days were spent on the green, club in hand, enjoying the camaraderie of friends.

For 31 years, Lou shared his life with his devoted partner, Gail Brenner. Together they built a life full of laughter and moments that spoke volumes about their deep bond and unwavering love.

Lou will be remembered for his easy smile, his love for a good game, and his steady presence that made every gathering feel warmer and every conversation feel heard.

He is survived by his beloved partner, Gail, stepson Joey Brenner (Elyn), grandson Noah Brenner, and an extended family of brothers-in-law, sisters-in-law, stepbrothers, stepsisters, nieces, nephews, and friends who will miss him dearly and cherish his memory always.

A memorial service honoring Lou's life will be held at the Sheetz Funeral Home, Inc., 16 East Main Street, Mount Joy, PA 17552 on Friday, July 11, 2025 at 11 AM. Family and friends will be received at the funeral home before the service from 10 AM to 11 AM. Interment will be private. In loving memory of Lou, donations can be made to Chiques United Methodist Church, located at 1215 East Main Street, Mount Joy, PA 17552. “ November 1974...I was 21, still living at home...I was so lost... working mundane jobs, directionless, getting in trouble with the law (cannabis) no clue what to do with my life. Me, Lou and Donny Musser were at the Village nightclub. Donny said check that blonde over there at that table...we did...OMG she was the most beautiful girl I'd ever seen. I was lovestruck. Donny asked her to dance, she turned him down. Lou asked she turned him down too. I asked her and she said yes...we danced the whole night. I learned her name was Susie and she was home on break for Thanksgiving from her college, Shippensburg. I fell in love with Susie. So I applied to Shippensburg and got in. So that is how and why I finally, finally ended up going to college. Though nothing became of me and Susie, that night at the Village was a turning point, a seminal moment in my life and Lou was with me...I don't know what would have happened if Susie had not turned down Lou when he asked her to dance.

I knew Lou from little league and played baseball with him in high school...he was such a good baseball player. But more than that Lou had "it". There was just something about him. I was so funny, so fun to be around and he always made me laugh. I was so glad he was part of my life and I will never forget him. Rest in peace my friend.

“ I remember seeing Lou at his family home in Marietta in my early childhood and here was this boy with crutches wondering what had happened.. I ran home to my Mother at that time asking her what could be wrong, being young, a child is always curious. From that moment I got to know Lou and what he stood for.. Not long ago I messaged Lou and saying how much he missed the good old days growing up in Marietta. Of course I did to. At that time everybody knew each other having relatives scattered around town. What can you say about a Lou who had a loving heart for the people he knew in his life. Letting go is hard and I will miss his curious but kind smile. Learning to live with a heartache is hard which we cannot just let go of the peace Lou had and allowed his spirit to soar...to be free...to completely give it to God. I will miss Lou. Darrell Stotz

“ I don't know where to begin or end with what I want to say about Lou..without writing a “book”.

Lou and I were both the same age and both grew up in Marietta and in the same graduating class of Donegal - 1972.

I remember the first time I met Lou, we were 4 or 5 and it was a traumatic experience for me, not meeting Lou, but, the situation. A few years later, we started playing baseball together which we did for about 7 or 8 years. Boy, what fun those times were ! I remember actual games and specific plays !

We also hung out together during the days and I think my most memorable times were playing wiffle ball on hot summer days under a shade tree behind the refreshment stand at the Marietta War Memorial Park. Lou, me, Buzz, Rick, Joe, Casey, Barry, and probably others...I'd give good money to have just one more afternoon of those wiffle ball games.

Our senior year in high school, I had broken my leg and my girlfriend, Cindy (now my wife) was in the homecoming court.. She chose Lou to be her escort.

And, then.....Lou and I worked together for over 30 years for Amp/TE.....I think he kept me “sane” for a lot of those years.

Thank you Lou for truly being a lifelong good friend....I'll miss you...

“ I was a DHS class of 1972 classmate with Lou. We grew up competing against each other in baseball and then playing together in high school. I will always remember him as a fierce competitor. He was a great storyteller and fun to be around. My sympathy to his family and friends, may God comfort you. Rest in peace Lou.
