“ *Brenda and Tina, I remember when my father (Lester) drove to the home to visit his sister Mary and would pick up Mabel who would often go along. I still have a B&W photo of the family (including Penrose and Lizzie and all their offspring) and I am sorry to see the last of that generation of Shaaks now completely gone. Best wishes to both of you.*

“ *Brenda, Barry and Family,*

May God hold you close and be with you in the following days and weeks. I have memories from childhood of your Mom, Dad and you two girls sitting on the porch on summer evenings.

Talking to whoever passed by. Back in the days when life was more leisurely and people spent time outside on the porch.

Sympathy and prayers being said for all of you. Love, Gale and Jay
