“ It was with deep sadness that I learned of Peggy's transition. She was a true friend of stature to my mom and family. Her loving smile was as genuine as can be, she was herself and a beautiful soul that I feel honored to have known. On my many trips to care for my parents, and then for my mom, Peggy was often visiting caring for my mom. My mother cherished Peggy greatly and only had the kindest words for her. Peggy was one in a million and her presence on this planet will be sorely missed! Love, peace and gratitude to you forever! Larry

“ My heart is broken. Her beautiful smile, gentle kind spirit, and positive attitude will be greatly missed. My mother loved her so much and so did all of us. I am thankful for the great friend she was to my mother and to all of us; she always asked about my brother Larry who still lives in VA and who infrequently heads back to PA. She is with her beloved Bill, and for that, my heart is filled with joy ! My sincere condolences to all of you. I missed her from the moment I heard of her passing.

“ Dear family of Peggy Brill - I just saw the that your mother passed on May 1 and am so sorry to hear that you have lost her. I knew your parents as customers when I waitressed at Hoss's several years ago. I LOVED to see them there and enjoyed getting to know them. Funny story ... for quite some time I called your dad Bob and he never said a word until one day I heard your mom call him Bill, oh my heart, they laughed about it and your dad said that I could remember him as Bill Brill of Sporting Hill! I lost my mom several years ago and there are days that I miss her terribly but the sweet memories are a comfort. I wish the same for you - Laurie

“ May you cherish your memories and know that she is with family and friends in a much grander place than here on earth. Hard to think about that now but as time passes you will. God is good!
