“ Dear Mary, We have so many memories of your Aunt Marie. Not sure how many years you lived with her and Anna, but that is the first memories when we came to Chestnut Hill in 1960. She had an impact for Jesus in many of our lives. Grace to you as say an earthly farewell. Love and Blessings, John and Marian Groff

“ I had the tremendous pleasure of working with Marie at The SICO Company. I worked in accounting and Marie and I spoke daily. She had a tremendous Love of the Lord, and we spoke of it often. She would also help me with word puzzles when I needed a hand. She always asked me what book I was reading; as we shared the Love of Reading! One day when I was discouraged she recommended I read *STREAMS IN THE DESERT*; and to my surprise she laid a copy of the book on my desk early the next morning before I arrived. I said I couldn't possibly accept it. You see it was her personal copy, her favorite book besides the Bible, her beautiful signature was on the inside & the date "1943". She said "I want you to have it I've stored it all in my head & me heart, as I've read it at least 50 years! Besides you need it right now- -best Read ever!" All day I was so excited to get home to start it, & although I have MANY years to go to catch her 50 (I received at the age of 27 in 1989 & am now 56) from her- The pages are yellowed but the messages are beautiful. (I will attach her inscription & comments). 50 years- that's devotion! She told me how many times she had read the Bible cover to cover- -I know the number has risen since we last saw each other- She was a loving, very caring friend. No doubt she will run through the pearly gates, and hear "Well done my good & faithful servant!" My sincere condolences to the Wolgemuth family (Steve if I am not mistaken I know you from Calvary Bible Church as my Youth Group Leader). I know you are grieving, but she has such a remarkable legacy, I hope you are rejoicing that she is finally with her Loving Savior!
