“ I had been a client of Marty's at Keller Brothers since in the 1970s. He was a very likeable person and a down to earth person. He was always there for you after the sale. He was very caring and always sent cards to us for our birthdays & anniversary and at Christmas. After he had gotten ill and was no longer at Keller Brothers, I really missed his presence. He always remembered your name and always spoke with you when you were there waiting for your vehicle to be serviced. My prayers go out to you and your family.
