“ I work w/Gabby, last year Melina told her about a litter of boxer pups that had just come into her office. Gabby told me and by the end of the evening we had a new member of the family-Franco!

*My thoughts and prayers to Melina's friends and family during this difficult time!!*

“ *Melina was a very important person in my families life. She is the mother of my great-nephew. She always had a smile on her face and was always a pleasure to be around. We may have gotten apart for some time but never did any of my family loss contact!! She had allowed my sister to become such a close part in her grandson life no matter what the circumstances were. We will always remember you and miss u each day!! Love Tina!! ❤️ I*

“ To Melinas family, I am so sorry to hear of your loss. She was a dear warm kindhearted and beautiful person inside and out. I worked with her at GSK back in 2012 and will always remember her smiling face. Everyone who came in contact with Melina, loved her. Just look at that smile, how could you not. She is an angel!!  
I remember going to King of Prussia Mall with her one day back in 2012 and we tried on evening gowns in Neiman Marcus just for the fun of it. I will never forget that as we laughed and tried on dress after dress. Thank you Melina for bringing some sunshine into our lives. We will never ever forget you!!!

“ You will be sorely missed. May you be resting in the arms of the angels. Remember you talking and joking with me when I bought my dogs into Dr. Joe's office. Worked with her at QVC also.
