

Merle E. Rutt

December 23, 1949 - January 2, 2020

Merle E. Rutt, 70, of Mount Joy, went to be with Jesus on Thursday, January 2, 2020. Born in Lancaster on December 23, 1949, he was the son of the late Warren and Esther (Sauder) Rutt. Merle was the loving husband of Christel (Grill) Rutt with whom he celebrated 42 years of marriage in November.

Merle graduated from Donegal High School in 1968. He was a respiratory therapist at Pleasant Acres (York) before retiring in 2018 due to his health. Over the years he quietly led numerous patients to Jesus, praying with them in their final moments. His favorite memories were of boating and fishing with his son and weekends spent at the shore in Delaware with his wife and children. He was the steadfast anchor of his family and always put their needs before his own. More recently, nothing brought him more immense joy than his three-year-old granddaughter Alyssa, and he loved every laugh, every hug, and every moment spent with her.

In addition to his wife Christel, Merle will be deeply missed by his daughter, Ashley Garrison, wife of Wesley (Manheim); son, Brandon Rutt (Mount Joy); granddaughter, Alyssa Garrison; brother, Galen Rutt, husband of Joan (Landisville); and sister, Marlene Martin, wife of Marlin (Lebanon).

A funeral service honoring Merle's life will be held at Calvary Bible Church, 629 Union School Road, Mount Joy on Wednesday, January 8, 2020, at 11

AM. Family and friends will be received at the church before the service from 10 AM to 11 AM, including viewing. Private interment will follow at Kraybill Mennonite Cemetery.

“ I worked with Merle when he was a respiratory therapist at St. Agnes hospital in Baltimore in the early 70’s. He was a wonderful person and a good sounding board for this nursing student (at the time). I pray that family memories will bring blessings. (I was in Lancaster for a quilt show and thought of Merle).

“*ED KOERBER AT ST JOE I worked with Merle at the hospital years ago when I began my career, great guy to work with always ready to help anyone who needed it was great with patients well liked by all. Merle introduced me to boating and fishing and we spent lot of fun times on the bay he showed me all his knowledge when I was a novice and bought my own boat. My condolences to his family for his loss, for me many fond memories of a true gentleman.*
